

ACS Chat Online Demo

Frank Bergmann <fbergmann@competitiveness.com>

Barcelona, December 18th, 2000

The screenshot shows a web browser window with the address bar containing `http://bama/admin/gc/domain-top?domain_id=22`. The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The toolbar contains icons for Back, Forward, Stop, Refresh, Home, Search, Favorites, History, Mail, Print, and a Go button. Below the address bar is a search bar with the Google logo and a search button. The main content area has a navigation bar with 'Utilities', 'Site Wide Tools', and 'Module Tools'. The page title is 'Administration'. Below the title, there is a breadcrumb trail: 'Your Workspace : Admin Home : Classifieds : Employment Offered'. The page content is organized into sections: 'The ads' with links for 'user's view for Employment Offered classifieds', a filter for 'Ads from the last 1 day(s)', 'all ads', and 'ads by category'; 'Users' with a filter for 'Pick out the users who've posted at least 1 time(s) between February 22 2001 and February 22 2001'; and 'Domain properties' with links for 'manage categories', 'administrator/owner of Employment Offered', 'user/helper administrators', 'update Employment Offered domain parameters', and 'delete Employment Offered (only do this if you were simply testing the system)'. The status bar at the bottom indicates 'Local intranet'.
